

# your HIGH-PERFORMANCE network

UpWard is a flexible, high performance network from Trilogy designed to empower employers in south central Wisconsin and northern Illinois to take control of rising health care costs. Anchored by nationally recognized UW Health, UpWard drives measurable savings without compromising quality.

## INTEGRATED CARE

An efficient, fully integrated care approach that champions quality and delivers results you can trust.

## CURATED NETWORK

Access to primary care and some of the world's best specialty care with UW Health, including 9 hospital locations and more than 90 clinic locations.

## FLEXIBLE BENEFIT DESIGN

Pair UpWard's network with flexible options such as premier comprehensive networks or data driven solutions for outside the network.

## COST BENEFITS

A combination of preferred contractual relationships with the powerful cost advantages of data-driven solutions, Upward opens the door to high-quality care-at some of the most competitive rates in the market.
