GROUP HEALTH

Trilogy serves over **75,000 members** in partnership with 24 TPAs through our flexible group health offerings that include broad access, tiered, and narrow provider network options.

WORKERS' COMPENSATION

Trilogy's workers' compensation network includes over 102 hospitals and 24,400 total providers serving **over 50 work comp customers** with an average network utilization rate of 70%.

DIRECT PRIMARY CARE

Trilogy's DPC network model gives participating practices access to multiple employers as well as resources that reduce the administrative marketing and sales burden of individual practices.

GROWTH OPPORTUNITY

Our extensive networks across multiple markets paired with our strong relationships with carriers, TPAs, and self-insured organizations, means that you can expect expanded patient volume with a broader reach.

ADVANCED TECHNOLOGY

Utilizing advanced technology, provider contracts and directory are updated in near real-time, making sure your practice information is up-to-date and visible to both patients and referring physicians.

EXCEPTIONAL SERVICE

Whether it's through streamlined processes, responsive communication, or personalized assistance, we are dedicated to making your experience with Trilogy exceptional. 100% of our contracting and pricing is done in-house, so when you call Trilogy our local support team is ready to assist.

FAST CLAIMS PROCESSING

As our partner, you can count on Trilogy to provide fast and accurate claims processing with 99.8% of clean claims processed within 30 days, with many being repriced the same day.
